DESCRIPTION

2026 Ford Expedition Tremor

Meet the brand new 2026 Ford Expedition Tremor, now at McAlpine Ford in Aurora. Finished in Black outside with a Black interior, this full-size SUV is built for Canadian families who want serious power, confident traction, and everyday comfort in one capable package. The 3.5 L V6 EcoBoost High Output engine delivers strong, quick response for highway passing and loaded trips. Paired with a 10-speed automatic transmission with SelectShift capability, it keeps power smooth and well paced in city traffic and on long drives. With 4-wheel drive, you can head into winter weather or cottage roads with added control and peace of mind. The 2026 Ford Expedition Tremor is a smart choice if you want a big SUV that feels ready for real life. It brings the space and road presence drivers expect from an Expedition, plus the added confidence of a high-output EcoBoost and a modern 10-speed automatic. Wh...
